A bright, modern kitchen with a man in a striped shirt cooking at a large island. A young girl with a pink hair clip sits on a black stool, looking towards the man. The kitchen features a wooden countertop, a grey cabinet with an open drawer, and a dining table with a blue chair. Large windows and a balcony with a table and chairs are visible in the background. The floor is made of light-colored wood in a herringbone pattern. The lighting is warm, with recessed ceiling lights and pendant lamps.

# moving ideas

We believe that ideas can move the world. We offer innovative fittings, inspiring furniture concepts and appropriate services so that you can turn your creative ideas into reality. We are driven by your needs, international trends and our shared vision of a better quality of living. Let us work together to create moving ideas.

## Quality of living

We would like you to enjoy greater convenience and functionality when using furniture.

## Product range

Everything from a single source: our wide range of products allows you to keep up with today's and tomorrow's trends.

## Inspiration

We monitor global trends and strive to create the solutions of tomorrow. We like to share our insights with you.

## Innovation

We stay in motion. Curiosity and pioneering spirit drive us to develop new products and services for you.

## Services

We support your daily operations with customised services tailored to your processes.

## Quality

We continuously strive to improve our products, services and ourselves.

## Trust

We take responsibility for partnerships, our employees, society and the environment.

Julius Blum started our journey in 1952 with horseshoe studs. Today we supply innovative fittings to customers in over 120 countries.
